

UNIQUE VENUES

CONNECTING UNIQUE PEOPLE WITH UNIQUE SPACES

Every venue on UniqueVenues.com is unique in its own right and majority of these venues offer memorable experiences. And, because our venues are one-of-a-kind, planners can create wonderful opportunities for guests to do things they wouldn't normally get to do while attending a meeting or event. So, what makes our venues unique? Well, there are a lot of factors - from location and décor to experiences and more - but in the simplest form, these are venues that are not your traditional hotel ballroom. You won't find big name hotel chains on UniqueVenues.com - but you can expect to see big name arenas and stadiums, colleges & universities, boutique hotels, venues that sail, museums and art galleries, rustic barns, and SO MUCH MORE!
